July 2008

Dear Swimmer,

Further Development of the Training Scheme

As part of New Earswick Swimming Club's continuing development, we have now added an extra squad to our training scheme.

The creation of this additional squad will allow swimmers to progress more easily through the scheme and allow the club to cater for more members, whilst maintaining the low swimmer to coach ratios.

Those who will be moving into Junior Development will be notified by letter within the next few weeks, so that they are ready to begin training in their new environment when the pool re-opens week commencing **Monday 15th September 2008**.

The group will be coached by John Fox and George Ellis (temporarily), training times for this group are as follows:

DAY	TIME	VENUE
Wednesday	20:00 - 21:30	New Earswick Pool
Friday	20:30 - 21:30	St. Peter's School
Sunday	15:30 - 17:00	New Earswick Pool

As a result of the introduction of Junior Development, Junior Performance will now train at St. Peter's School on Tuesday's from 20:30 - 21:30 instead of the usual Wednesday evening session.

These changes will take effect as from Monday 15th September 2008.

Yours sincerely,

In association with:

James Richards
Swimming Development Officer
New Earswick Swimming Club
